

Bella Vista Track & Field Booster Club

February 2018

Dear BV Track & Field Parents:

The Bella Vista Track & Field Team has consistently grown in the last few years, with a steady increase in both the quantity and quality of athletes competing. For the spring 2018 season, we have signed up 160+ athletes so far. Unfortunately the San Juan Unified School District only provides funding for four coaches for the entire program. Four coaches is not enough for 160 athletes, and the many specialties of Track & Field including sprinting, hurdling, long jump, high jump, pole vault, throwing, middle distance running, and long distance running. Thus we need your help.

While the Track & Field program has no required fees, the San Juan Unified School District will allow the Track & Field program to hire more coaches if funds to cover their salaries are raised and donated by the corresponding booster club. The BV Track & Field Booster Club will continue its current fundraising by hosting track meets and operating snack bars, but those funds alone are not enough to hire more coaching staff. With your minimum donation of \$125 towards coaching stipends, the Booster Club will be able to adequately increase the coaching staff, plus afford the ongoing expenses of entry fees, uniform purchases, and equipment replacement. Your donation to the Booster Club is tax deductible, as the Booster Club is a registered non-profit organization.

We hope to see you at the 2018 T&F parent meeting on **Tuesday February 27th**, at **7:00 in the BV large gym** where donations can be made by cash, credit card or check payable to Bella Vista Track Booster Club (BV T BC). If you are unable to attend the parent meeting, you can mail your donation to the address below or your son or daughter can also give your donation to his/her coach at practice. We hope that every family at Bella Vista will support the growing BV Track & Field program. Thank you for your consideration. See you at the track!
