

Bella Vista Broncos

Track & Field 2017

Dear Bronco Families,

We are asking each athlete to contribute \$100 for the season to cover stipends for our dedicated coaching staff. The school district provides funding for 4 stipends for the season, but we are extremely fortunate to have 12 coaches who support our large program. These dedicated coaches each give up hundreds of hours of time to oversee BV athletes' training, prepare them for competition and accompany athletes to competitions. Whether your athlete is a distance runner, sprinter, hurdler, jumper, pole-vaulter, or thrower, BV has knowledgeable coaches dedicated to providing the best training and experience possible. Check out the incredible talent of our coaching staff under the coaching bios link at bvtrack.com.

Your donation to the *Bella Vista Cross Country and Track and Field Booster Club* (BV XC/T&F Booster Club) is tax deductible, as the Booster Club is a registered non-profit organization. This organization raises money to support our programs through the purchase of equipment, entrance fees for invitational meets, coaching stipends, and some travel expenses for away competition. For example, the Booster Board just voted to spend up to \$25,000 for chip-timing equipment which will improve the quality of our annual Bronco Invite at Willow Hills, but which we can also hire out at other meets to earn back money to pay for the equipment.

Donations can be made by cash or a check payable to BV XC/T&F Booster Club. Your son or daughter can also give your donation to his/her coach at practice or (preferred) mail it to our treasurer: Mary Shade at 9142 Junewood Lane, FO, CA 95628. We hope that every family at Bella Vista will support the dedicated coaching staff and excellent Track and Field program.

Thank you for your consideration. It is going to be an exciting season. See you at the meets!

Selena McKinney, BV XC and TF Booster President
